Notes

- Regarding the borrowing of funds, the borrowing rate is determined reasonably based on market interest rates. The repayment conditions comprise lump-sum payment after a term of 1 year.
- The Company has received the debt guarantee for borrowings from financial institutions. The guaranteed amount is the loan balance at the end of the year. The payment of guarantee fee is determined reasonably based on market interest rates.

6. Implementation status of measures to protect minority shareholders when conducting transactions with controlling shareholders.

As a result of receiving payment related to the capital increase through third-party allotment from Hisense Japan Automotive Air-Conditioning Systems Corporation, which was established by Hisense Home Appliances Group Co., Ltd. on May 31, 2021, the Company now has a controlling shareholder holding approximately 75% of its voting rights.

On February 25, 2022, the Company established a Special Committee to monitor important transactions between the Company and the controlling shareholder and to prevent the controlling shareholder from unjustly violating the interests of minority shareholders. The Company, even when conducting transactions, etc. with the controlling shareholder, basically conducts transactions under appropriate conditions that are equivalent to general terms and conditions and makes efforts to maintain fair and appropriate transactions, in consideration of market prices and based on reasonable judgment.
